

# Hey, guys!

We are the English MS-Students. We are small group of students from different classes and different grades. We have three hours English per week. In the lessons we are working on our weekly schedules on our own. We work with books (MORE!), CDs and DVDs. If we need help, our teachers Ms. Gollob and Ms. Hauser-Maislinger help us. We like to play English games.

5<sup>th</sup> grade: Topic – fruit and vegetables
